Mission & Vision

VISION

- To create a premier karting championship that unites the Asia-Pacific region under the banner of excellence, sportsmanship, and international recognition. The IAME Asia Pacific Games aims to inspire the next generation of racing talent, provide a credible platform for future stars, and elevate Asia's position in global motorsport. By bringing together national champions, top-tier teams, and global stakeholders, this event marks a turning point for competitive karting in the region.

MISSION

- Deliver a world-class karting event that upholds the highest standards of competition, safety, and fairness.
- Establish a scalable model that nurtures regional motorsport development through structured racing programs.
- Build long-term collaborations with national ASNs, global brands, and media outlets to grow audience reach.
- Promote cultural exchange, inclusion, and unity through the shared language of motorsport.
- Encourage youth participation and create lasting pathways into higher racing categories including F4 and beyond.
