PREGRID RULES

- Qualifying Practices (5'): the driver must leave the pregrid before 45" maximum.
- The driver on pole chooses the side. He just need to tell to the grid boss if he wants to change side.
- Once you enter the pre-grid, you are not allowed to go out again.
- On the pre-grid, it is forbidden to do something on the kart!! Only tire pressure is allowed! If driver or mechanic do something on the kart, the driver starts last, on the order of the grid boss and only once the start is given (lights off). So he doesn't do the warm-up laps.
- As soon as the "Mechanic leave grid" sign is displayed, it's prohibited to do something on the kart. If the mechanic returns or communicates with the driver..., the driver leaves last, on the order of the grid boss and only once the start is given (lights off). So he doesn't do the warm-up laps.
- If a driver arrives and the door is closed, he leaves last and only once the start is given (lights off). So he doesn't do the warm-up laps.
- There will be 2 warm-up laps for each start!
- In all classes, pre-grid positions for non-qualifying and qualifying practice will be allocated for each round of the championship by random draw.
