[See official timetable](#)

THE IAME CHAMPIONSHIP - N°1 IN EUROPE !!

RULES OF GOOD CONDUCT

- 1 - During the event, it is the responsibility of drivers and competitors to read and understand the regulations, press releases and timetables. They must respect the officials and their decisions as well as the volunteers.
- 2 - Participants are responsible for their actions in all circumstances, and must ensure the conformity of their equipment.
- 3 - Alcohol and drugs are strictly prohibited during training or races.
- 4 - In the event of insults and/or assault, a driver may be disqualified from the event and/or the championship following the decision of the college of sports commissioners.
- 5 - Participants must respect the environment, reduce noise and pollution.
- 6 - The use of appliances with high electricity consumption (heater, dryer, air conditioner, etc.) is prohibited in the paddock.
- 7 - No private car will be tolerated within the paddock.
- 8 - Drivers and competitors will not be summoned to the Sports Commission in the event of penalties of up to 5 seconds inclusive and for any incidents linked to the starting procedure. In these cases, the decisions of the College of Sporting Stewards will be taken directly and displayed on the digital scoreboard. In all other cases, drivers and competitors will be summoned to the Sporting Stewards.
- 9 - Please leave your waste in trash bags in front of your structure. 1 pickup per day is planned.

THE IAME CHAMPIONSHIP - N°1 IN EUROPE !!

CARBURANT

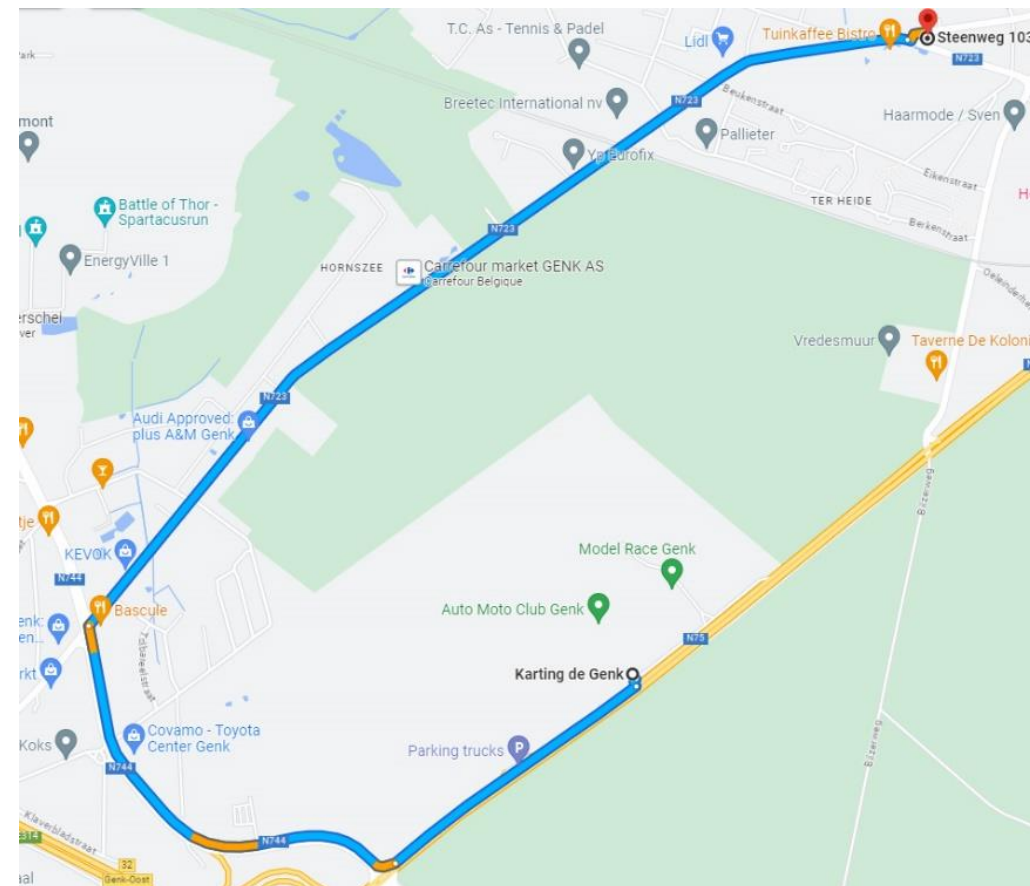

For all categories, the fuel must be **Unleaded 98** purchased at the service station.

Bruno Foodcorner – Esso (5,1 km from the track)

Steenweg 103, 3665 As Belgium

Tél : 00 32 89 65 72 43

THE IAME CHAMPIONSHIP - N°1 IN EUROPE !!

Le câble sera coupé au raz de la partie alu du scellé

THE IAME CHAMPIONSHIP - N°1 IN EUROPE !!

ASSISTANCE PARC RULES

- **15 minutes** before the start time of the race, presence in the Start Park. Arrived, front fairing dismantled.
- **10 minutes** before the start time of the race (And therefore 5 minutes before the closing of the access door to the pre-grid), the horn sounds.
- **5 minutes** before the start time of the race, closing of the pre-grid door. No more entry will be allowed.
- **3 minutes** before the start of the race, evacuation of the mechanics from the pre-grid (whistle).

Any intervention by the mechanic, whatever it may be, on the pre-grid, implies a start from the rear of the peloton.

H - 15' : Fermeture du Parc Assistance Départ

H - 5' : Fermeture de la porte de la prégrille

H - 3' : Evacuation mécaniciens prégrille

H : Départ !!

THE IAME CHAMPIONSHIP - N°1 IN EUROPE !!

PREGRID RULES

- Qualifying Practices (5'): the driver must leave the pregrid before one minute maximum.
- The driver on pole chooses the side. He just need to tell to the grid boss if he wants to change side.
- Once you enter the pre-grid, you are not allowed to go out again.
- On the pre-grid, it is forbidden to do something on the kart!! Only tire pressure is allowed! If driver or mechanic do something on the kart, the driver starts last, on the order of the grid boss and only once the start is given (lights off). So he doesn't do the warm-up laps.
- As soon as the "Mechanic leave grid" sign is displayed, it's prohibited to do something on the kart. If the mechanic returns or communicates with the driver..., the driver leaves last, on the order of the grid boss and only once the start is given (lights off). So he doesn't do the warm-up laps.
- If a driver arrives and the door is closed, he leaves last and only once the start is given (lights off). So he doesn't do the warm-up laps.
- There will be 2 warm-up laps for each start!
